You are eligible to participate in the TRACE SYSTEMS INC. 401(K) PLAN which includes a Qualified Automatic Contribution Arrangement (QACA). This notice provides you with information to consider before deciding to take no action or to start, continue or change your salary deferral rate.

Eligibility and Entry Requirements

You are eligible to participate in the plan if you:

- Are at least age 18.

Salary Deferral Contribution Plan Provision

You may elect to defer a percentage of your pay each pay period. Your current taxable income is reduced by the amount you contribute through pre-tax salary deferral. This lets you reduce your current federal and most state income taxes. This plan allows you to defer 85% of your pay.

- You may also elect to defer a percentage of your pay each pay period as Roth deferrals, which are after-tax contributions.

Automatic Contribution Arrangement

This retirement plan includes an automatic contribution arrangement that applies to all eligible participants. If you are a new participant, you will be automatically enrolled in the retirement plan, meaning 5% of your pay will be deducted from paychecks and contributed to the retirement plan on your behalf unless you elect a different salary deferral percentage. If you are not a new participant, you will maintain your current salary deferral amount (which was either elected by you or you were automatically enrolled through the QACA or previous automatic contribution arrangement) unless you elect a different salary deferral percentage.

If you are a rehired participant who did not have automatic salary deferral contributions for an entire plan year, then you will be automatically enrolled in the retirement plan at the same percentage as new participants indicated above. Otherwise, you will be re-enrolled in the retirement plan at the automatic salary deferral percentage that would have applied (including automatic increase provisions, as applicable) had you always been automatically enrolled in the retirement plan.

The retirement plan also includes an automatic salary deferral increase provision. Salary deferral contributions for automatically enrolled participants will automatically be increased by 1% every 1/1 up to 10%.

If you do not wish to be automatically enrolled, you may elect not to defer or to defer another percentage. You can enter into an agreement to change your salary deferral contribution on any date. You will need to complete and sign the salary deferral agreement or complete an election online, if applicable, before the date on which it is effective. Once an agreement (**affirmative or automatic**) is in effect, salary deferrals will be payroll deducted from your future paychecks. You can terminate your agreement at any time.

If you affirmatively elect to make salary deferral contributions or if you are automatically enrolled and you do not provide direction as to how contributions made on your behalf should be directed, then the contributions will be directed to Fidelity Freedom Income Fund - Class K6 (3001).

Internal Revenue Service (IRS) regulations or the retirement plan may limit the annual amount of your salary deferral contributions. Please see below for the annual IRS salary deferral limits. If you meet a salary deferral contribution limit, you may continue to defer up to the catch-up contribution limit if you are eligible to defer catch-up contributions.

Salary Deferral Limits

Internal Revenue Service (IRS) regulations or the retirement plan may limit the annual amount of your salary deferral contributions. If you want to contribute more to your account than would be provided automatically, there are limits on the maximum amount. The IRS and plan limits are described in the Plan's Summary Plan Description (SPD) or can be obtained from your employer.

Pay is defined under the plan as follows: Wages, Tips and Other Compensation Box on Form W-2.

Automatic Enrollment Safe Harbor Employer Contribution

Please note that the plan document may be amended to reduce or suspend the safe harbor match or non-elective contribution at any point during the plan year. If this occurs, a supplemental notice will be provided at least 30 days prior to the reduction or suspension.

QACA Matching Contribution:

A matching contribution of 85% of salary deferral contributions up to 3% of pay, plus 50% of salary deferral contributions from 3% to 5% of pay for the plan year. Your pay may be restricted to the annual pay limit announced by the IRS¹.

¹ This limit will be adjusted to reflect any annual cost-of-living increases announced by the IRS.

Other Employer Contributions

In addition to the above, other employer contributions may be made to the Plan. You should review the Plan's SPD for details regarding these other contributions.
